

"SAVE A PET"

BANDANA PROGRAM

DONATES 10% to SAVING PAWS RESCUE

Sponsored by Precious Paws

All of us who own pets have a soft spot in our hearts for all animals, especially those that have been abused or abandoned. **Saving Paws**, www.savingpaws.com, is a shelter located in Appleton that rescues all animals and finds them loving homes.

As owner of Precious Paws, a local dog accessory craft business, I want to help save these precious animals. My "Save A Pet" bandana program donates 10% of all sales to Saving Paws to help with expenses.

This program, which includes shipping, delivers a quality, handmade bandana to your pet by the 5th of each month for 3, 6, or 12 months. Also, by popular demand, a holiday option delivers a quality, handmade bandana 7-10 days prior to the holidays listed on the following page.

I offer two styles of bandanas; tie and over the collar. The tie style is reversible; so it's two bandanas for the price of one! The over the collar style slides over the collar so there is no need for tying. Both styles are available in X-Small through Large. They are made from cotton blend fabrics and are machine washable. Tie bandanas have fabric which coordinates with the theme/holiday list on one side and a matching solid color on the other. See lists on next page.
